

CANAAN

site furnishings

As Canada's premier source for site furnishings, Canaan offers the most price-friendly outdoor furniture for public and private spaces across North America since 2006.

Canaan Site Furnishings devote to create attractive and functional surroundings for the communities. Our comprehensive product selections are designed to withstand the test of time, people and nature.

CUSTOMIZATIONS

we have been working with architects and designers to help our customers put their unique visions into reality. From standerd designs to custom solutions, all of our metal products are welded and polished by the hands of technicians who have decades of experience in the industry.

At Canaan, your unique visions come true.

Transit Mental Bench CAL-717 electro-coated with anti-corrosion treatment is designed for transit stations. Passengers kill wait time with CAL-717 for their trains at the Confederation Line in the City of Ottawa.

The City of Markham collaborated with Canaan on the design of this three-stream stainless steel recycling receptacle CRC-812. All 50 units are now a part of the stunning and state-of-the-art Aniin Community Center and other public facilities across Markham.
